

## **MARINA DOCKMASTER SUPERVISOR**

A fantastic opportunity has become available at Lake Macquarie's premier marina and boatyard facility. This is a full-time dynamic role that has responsibility for client services, marina & yard duties, service and management of fuel and office administration. You will provide an exceptional client experience, presenting the facility in a professional manner and keeping the safety of clients and the public at the highest levels at all time.

This is a shared role to facilitate a 7-day operation. Weekends and midweek hours are to be rotated as are public holidays, so flexibility in work hours is crucial. Salary will be commensurate with experience.

Qualified candidates should be able to show:

- experience in the marine industry
- current car and boat licence and boat handling experience
- an eye for delivering excellence in customer service and a proactive work ethic
- maximising yield opportunities for marina berths, dry storage and boatyard facilities
- experience with MS Outlook

If you would like to join a great team of people who are passionate about their work and the marine industry apply now!!

Applications via email only to: [disky@marmongpointmarina.com.au](mailto:disky@marmongpointmarina.com.au) Subject: Dockmaster/Weekend Supervisor vacant position
